**Principal's News**

Dear Clover Families,  
As I'm sure you already know, Parent Teacher Conference Week is approaching! A parent-teacher conference is a time when important people in a student's life can talk about how that student is doing in school. It's a chance for you to ask questions about the class or your child's progress. It is also a time for you and teacher to work together as a team to discuss ways you both can help your son or daughter.

Once at the meeting the parents should focus on what they want as a result of the conference. The goal of the conference should be to make school a more positive experience for their child. If the parents are prepared, take notes, think positively and stay calm during the meeting, they will have a greater opportunity to help their child succeed. If something is said during the meeting that parents don't understand, they should ask for clarification. If parents disagree, they should say so courteously and then state their point of view. Parents and teachers should agree together on the goals they want to help the student work toward during the next grading period.

When a child knows parents and teachers are regularly working together, the child will see that education is a high priority requiring commitment and effort. Keep these principles in mind for a great parent-teacher conference: "BE HEARD"

Best intentions assumed

Emphasis on learning  
Home-school collaboration

Examples and evidence  
Active listening  
Respect for all  
Dedication to follow-up

Happy Conferencing!

Sharon Fabian

**From Your Booster Club**

As we roll into November, and the Holiday season, we want to show you some LOVE!! LOVE to all the volunteers who donate their precious time and energy.

Whether it's in classrooms, the gardens, on field trips, fundraising events or being a supportive parent to our wonderful staff, it is all appreciated. And it is what makes Clover the amazing place it is!

LOVE to our Clover families who have supported our students through their Pledge for Education. Your generous donations help support our incredible programs, all of which each and every Clover child benefits. Your generosity is astounding! This month is our big push to try to get 100% of our funds raised within 100 days!! Remember if we can reach our school wide goal, each Clover student will receive a special edition t-shirt, and we will be guaranteed that all our programs will be funded again next year! What a nice feeling to not have to worry about possibly cutting one

of our beloved programs!  
LOVE to our most amazing Staff!  
We are so fortunate to have  
hardworking and caring principal,  
teachers, support professionals,  
and cafeteria and maintenance  
staff on our Clover campus. Every  
single one of them cares for our  
children everyday.

If there's one thing to remember  
this month, please take a moment  
to say, "Thank You" to our Clover  
Staff for their endless energy and  
commitment to making Clover a  
wonderful environment for our  
children.

We wish you a happy and safe  
Thanksgiving holiday!
