Principal's News

Dear Clover Families,
The days are long, but the years are short...once again I am caught by surprise when the school year draws to a close.

I always feel nostalgic as culmination approaches. We are sending off a whole group of fifth graders, many of whom have been here since kindergarten, to a variety of middle schools all over the city. What a wonderful, talented group of young people they are! We will miss them, and our deeply felt wishes for their success can't be put into words. This year – as every year – we also say goodbye to parents who have truly given their hearts to Clover. At the Volunteer Appreciation Party, we were privileged to honor parents who have been active participants in our community for many, many years! Without them – and all of you – Clover would simply not be the school it is today.

On behalf of the staff at Clover, I want to thank you for the privilege of working with you and your children. On my own behalf, I want to thank the staff for the privilege of being on their team. I am so proud to be a part of the dedication and talent that our teachers bring to Clover.

Now it is time for summer. Have a great one that is filled with relaxation, good health, and good family time. See you on August 15th!

Warmly,
Sharon Fabian

From the Booster Club

Is it me, or do these school years fly by faster each year? We are on the downhill into summer, and it'll be another one in the record books! I hope you and your child had a great year at Clover making new friends and strengthening bonds with the old ones!

I want to thank each and every Clover family for your support this year through both your volunteer efforts and financial contributions! Clover cannot be the school it is with out **both**. The programs we've come to love and expect are only possible through our fundraising. The fundraising is only possible with the help of volunteers.

Each year, amazing Clover families graduate and move on to new adventures! It is imperative that new families step in to take their place. As we are planning next school year, we have many unfilled roles for some of our favorite events, like Book Fair, and critical Booster roles, like President! Please consider reaching out and taking on one of these roles. **Doing these things as a team not only makes them more manageable, but also makes them a lot of FUN!!**

As I reflect on this amazing year, I also want to say, "Thank you" to our amazing Principal, teachers and staff! They all beam with the Clover spirit; their love of our school makes it such a joy to be on campus! ***I hope you'll join us***

Friday May 19th at 1pm for our Annual Staff Appreciation Lunch.

This is our opportunity to really let our staff know how they make us feel, with their support, “*We Will Survive*” this thing called parenthood!

So, with 6 weeks to go, it is time to close out yet another school year. Enjoy your summer break, stay safe and for those of you returning, we’ll see you in mid-August, and for those of you who are moving on, best wishes in your journey!
